

ALDER HILLS

18 HOLE - PAR 3 GOLF COURSE

Ladies Day 2020 Information package

For 2020 our Ladies day will be on **Wednesday & Thursday**. The registration will be on a first come, first serve basis.

At time of registration, the Ladies Day registration form must be filled out and a \$20.00 registration fee paid before participating in Ladies Day competition. The registration fee is **non-refundable**.

No Shows

A “No Show” is a golfer who books a tee time and does not show up, or is late for their tee time. If a golfer does not plan to show up for a booked tee time we require a phone call to indicate this. If a golfer is going to be late for their tee time we require a phone call to attempt to accommodate this problem. In any case there is no guarantee we will be able to adjust tee times for you, however we will do our best.

Tee Box Position

As Ladies Night is a competition. All ladies **must hit from grass tee boxes** unless posted to hit off of the mats.

Tee Time Booking

The first Ladies Day will be Wednesday May 1, 2020 (weather permitting), and registered golfers can book their tee times starting April 25th. We will continue to book one week in advance, so each Wednesday you can book for the following week.

- Ladies Day is a **9 Hole Event**. The cost is \$24.00 for the nine holes, of which \$16.00 is for green fees and \$8.00 is held for weekly prizes.
- **Before 1:00pm**, Ladies can play 18 holes for \$31.00, but must start on the front or back nine as required that week.
- **After 2:00pm**, the course is for Ladies Day only.
- Golfers must play with other Ladies Day members **ONLY**.
- Ladies wanting to play 18 holes will only be able if space and time is available, as Ladies will be teeing off both front and back nine.

ALDER HILLS

18 HOLE - PAR 3 GOLF COURSE

- Normal procedures will apply as to filling out a foursome with other golfers as needed to best use available tee times.

Scoring

Ladies must record your total strokes for the hole (this includes strokes to get on the green and putts), **and** the number of putts you took in a separate line. If the golfer uses a putter from off the green it does not count as a putt.

Each golfer must have and record their own score on their own scorecard. The scorecard must record the score on the nine holes you are playing. A common mistake to avoid is recording a score for the back nine as the front nine, and vice versa. It is **imperative** to give your scorecard to another golfer in your group to witness your score and sign the scorecard after the round. **Only** another Ladies Day golfer in your group can sign your scorecard, and each Lady can only sign one card.

Each golfer is responsible to enter their score from their card in the appropriate handicap score sheet. The score sheets will be posted inside the clubhouse. **Check your handicap weekly**, do not assume it has not changed; you may be entering your score on incorrect sheets. It is the golfers' responsibility to fill out the sheet correctly and enter their scores correctly. **Please check and add everything correctly.**

Ladies Day Final Tournament

Will start on Friday, September 11th, 2020 with the wind up dinner on Saturday, September 12th, 2020. ***Unlike our regular ladies day which is a 9 hole event the final is based on 18 holes.***

Prizes (all Weekly Prizes will be cash prizes with exception of the weekly draws)

Once the Ladies Day golfer has played three games your handicap will be established. **Handicaps from other golf courses cannot be used.** For new golfers for this season the first 3 rounds of the season will not qualify for any net prizes, due to the fact they have not established a handicap. Players returning from the previous season will continue with their previous year end handicap and a new handicap will be calculated after 3 rounds. ***All money must be collected prior to 4pm on September 6th, 2020 or it will be forfeited and be rolled into the yearend finale prize pool.***

ALDER HILLS

18 HOLE - PAR 3 GOLF COURSE

Prize money breakdown distribution is listed below.

- \$3.50 Weekly Prizes (low gross and net, KP's, LP's)
- \$1.00 Birdies
- \$.50 Weekly draw (\$10 Alder Hills Gift Certificates)
- \$1.00 Hole in one pot
- \$1.00 Year end draw (trip voucher's etc.)
- \$1.00 Final Tournament prizes
- \$8.00 Weekly prize total

Weekly Prizes

KP's – Closest to the Pin

Three KP's are marked out of 9 holes each Wednesday.

You must be on the green with your first shot to qualify for a KP.

LP's – Longest Putt

Three LP's are marked out of 9 holes each Wednesday.

Any putt sunk which is longer than any other Ladies Day golfer that day, qualifies for the longest putt. You must be on the green for the shot to be considered as a putt. Putting from off the green is not a putt.

Low Putts

One prize is awarded for each handicap flight.

During your nine holes keep track of how many putts you take on each hole. Putts taken from off the green are not recorded as putts.

Low Gross – Low Net

Prizes are awarded for the lowest gross and net scores per handicap flight.

Note: If you win low gross, you are not eligible for low net. If there is a tie, a count back would be done. (The highest score on the final hole wins, etc.)

Birdies

A Birdie on our course is a ball that is in the cup on the second stroke. A Birdie Sheet will be posted each week. It will be **your responsibility** to enter your name under the appropriate hole on the sheet. The weekly birdie pot will be shared by dividing the pot by the number of birdies.

ALDER HILLS

18 HOLE - PAR 3 GOLF COURSE

Weekly Draws

Each week eight names will be drawn from the scorecards and the amount for that week (\$1.00 per golfer) will be divided eight ways.

Hole in One Pot

The Hole-In-One Pot will be pro-rated. For example, if you get a Hole-In-One and you have played 5 of the 10 Ladies Days, you will receive 5/10ths of the pot, but if you played all 10 of the Ladies Day's, you qualify for the entire pot. **Note:** You must card the Hole-In-One on the nine holes that you are scoring for Ladies Day. You must also have the Hole-In-One witnessed by another Ladies Day participant in your group. If the Hole-In-One is on a hole with a KP, you do not receive the KP prize. Any money remaining in the pot at year-end will be used for prizes on the Ladies Day Final.

Please show up for your Tee Time at least 15 minutes early

If golfers arrive late we cannot guarantee that we can get them out to play. We will not jeopardize the pace of play to try and fit in late golfers.

Pace of Play

Slow play and delayed tee time are a source of tension and confrontation than can be easily avoid with proper consideration by all golfers. Keep up the pace of play (about seven minutes per hole) or let faster golfers play through. **The procedure for a “play through” on our course is for the slower group to tee off first, and then let the faster group tee off before proceeding past the tee box area.** Then the faster group and the slower group both leave the tee box area at the same time, but the faster group plays the hole out first. In this way the slower group does not fall behind as the next group approaches. Cooperation by both groups benefits both groups and it is a good day for golf.

Note: Prize money cannot be picked up any other day than Wednesday and Thursday. An uncollected prize list will be posted each week. *All outstanding prizes must be picked up by the last Ladies Day, or the money will be added to the Final prize money.*

A nine hole round must take less than 90 minutes to complete to avoid complaints about slow play from other ladies.

We aim to maintain Ladies Day as a fun social event with some competitive value, so please take part and enjoy. We look forward to serving you.
